1. Call to Order and Roll Call

President Dr. Bruce Fong called the meeting to order at 6:07 p.m. Roll call was conducted informally by name. Dr. Olson initially had technical difficulties (no microphone) but participated via chat and later joined by audio.

2. Public Comment

Public comment was invited.

Remarks (substance summarized per NRS 241.035):

- **Dr. Cora**: Spoke in support of maintaining the Board, noting Nevada was the first state to license homeopathic physicians. Emphasized the integrative nature of homeopathy (aligned with German biological medicine), its historical basis in plant/mineral-derived medicines (e.g., digoxin origins), and the need to educate pharmacists on homeopathy, tinctures, and polypharmacy roots. Urged fighting the sunset.

- **Inge Gerber**: Offered assistance from attorney Mary Lindy (former AG office) to review language for submissions to the Legislative Counsel Bureau (LCB), specifically regarding the Sunset Committee response.

- **Terry Pfau**: Asked about the post-Sunset Committee process (report to legislature, potential bill, legislative vote). Provided clarification on the multi-step process and that legislative action would be required to sunset the Board.

- **Jessica**: Expressed support for the Board and urgency for pending license applicants ; encouraged action against sunset.

No other public comments. The Board appreciated the input.

3. Approval of Agenda

Motion to approve the agenda: Made by Dr. Quinn, seconded by Dr. Nario

Discussion: None.

Vote: Unanimous (ayes from all present). Agenda approved.

4. Approval of Minutes from Prior Workshop

Motion to approve minutes from the workshop held approximately one week prior: Made by Dr. Quinn, seconded by Dr. Olson.

Discussion: None.

Vote: Unanimous approval. Minutes approved.

5. Approval of Workshopped Regulations Language for LCB Submission

Motion to approve the language workshopped at the prior meeting for submission as final draft to the LCB (to be incorporated into Nevada Administrative Code upon approval): Made by Dr. Olson, seconded by Dr. Quinn.

Discussion: None.

Vote: Unanimous (ayes). Motion carried.

The Board directed staff to transmit the approved language to the appropriate LCB contact. Dr. Nario to assist with process coordination as needed.
